

Welcome to Den 1880. To help everyone enjoy a safe and comfortable experience, please review our guidelines below. If you have any questions at all, our team is here to help.

Thank you,

Den 1880

◆ Accessibility

If you or someone in your group requires accessibility support, please connect with a Den 1880 staff member. We are happy to assist. We have accessible entries/exits as well as washrooms located throughout the event space.

◆ Washrooms

Single-stall washrooms are located by the Theatre and in the front lobby. Accessible washrooms are available in both of these areas as well.

◆ Smoking

Smoking receptacles are located at the front entrance of Den 1880. Please use these for proper disposal.

◆ Alcohol Service (if applicable to your event)

If alcohol is being served at your event, we ask all guests to drink responsibly. Kindness, respect and safety are our priorities.

Please treat staff, vendors and fellow guests with care, and avoid clinking glassware to help prevent breakage or accidents.

◆ Transportation

Drinking and driving is strictly prohibited. Please plan safe transportation by using taxis or rideshare services, which are readily available in Waterloo.

If you need assistance arranging a ride, speak with a Den 1880 staff member and we will be glad to help. Taxi numbers can also be found at the front entrance.
